- Next roundabout (Pentagon Island) take the 3rd exit (A61 North) - Sir Frank Whittle Road;
- Take the 1st left;
- At the T-junction turn left into Stores Road;
- Follow the road around the corner and Cardinal Square is the large blue building on your left and our car park is just after the building.

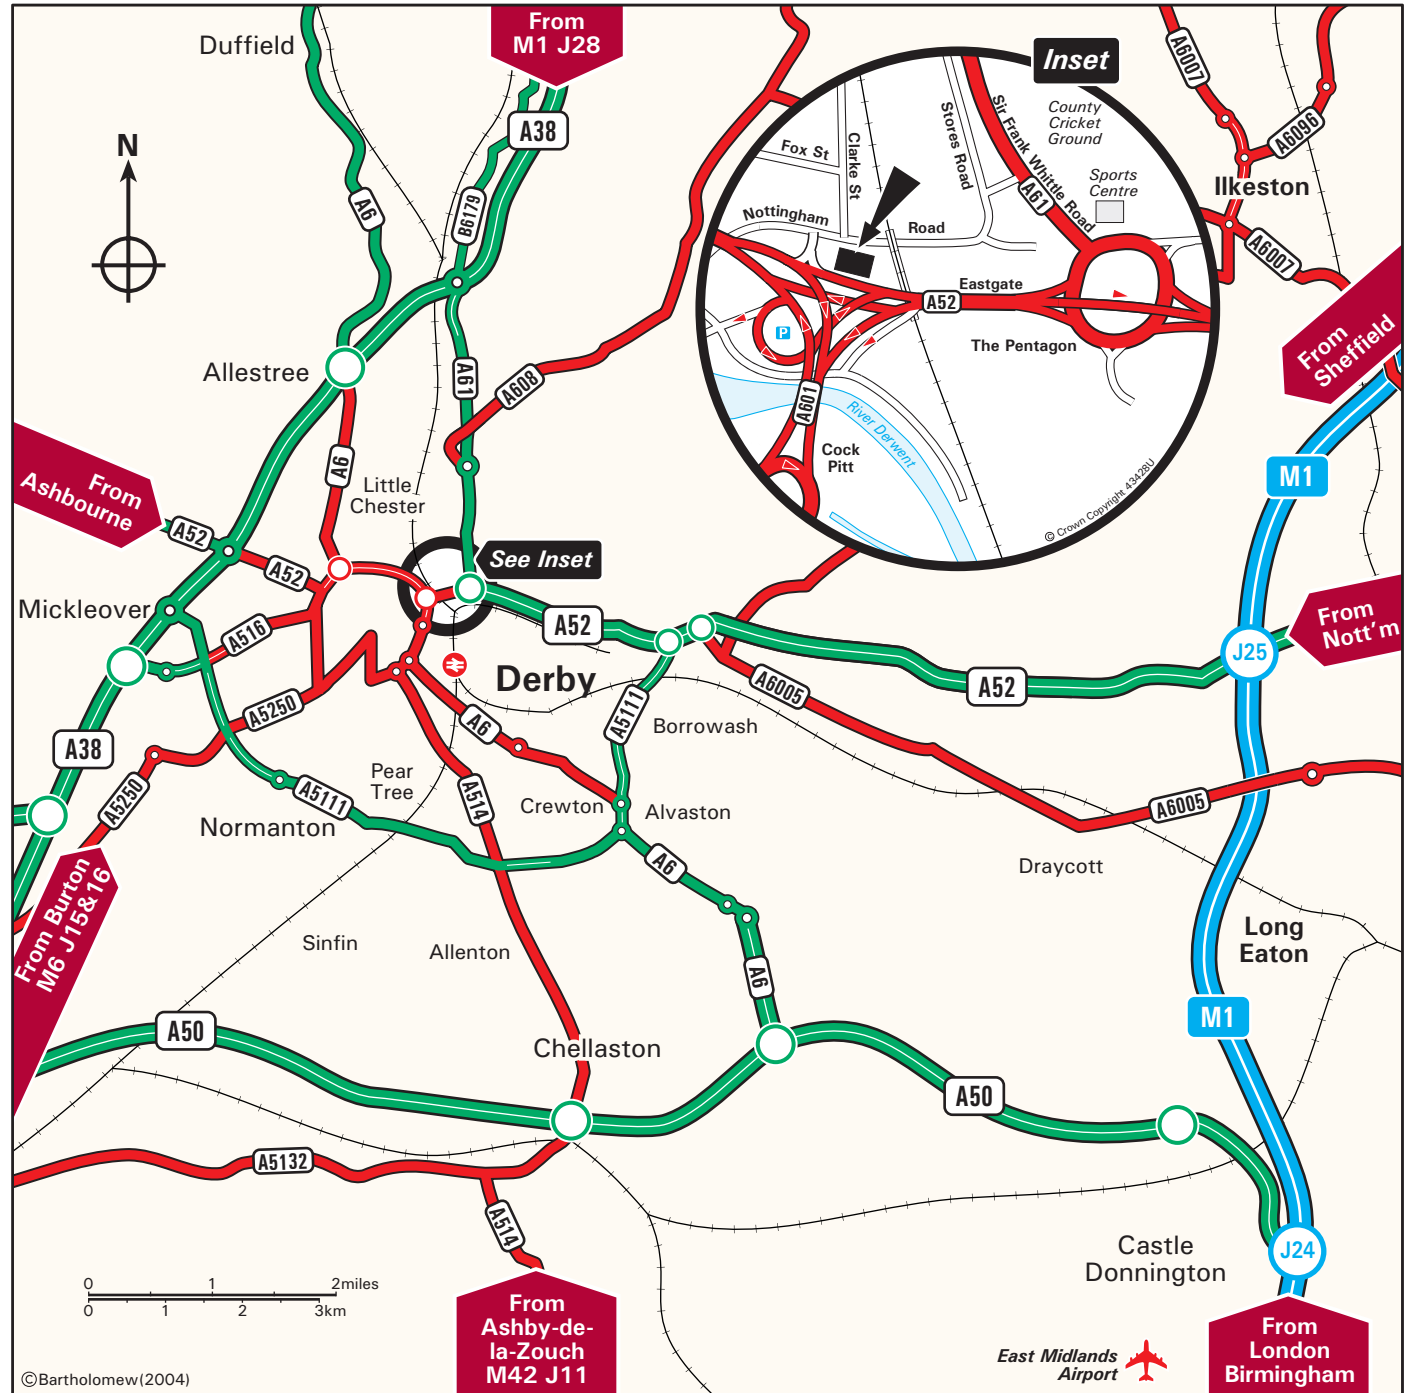

From A38 (North)

- The A38 comes to a large roundabout at the bottom of a hill and you need to take the left-hand lane, which feeds straight through to Sir Frank Whittle Road;
- Continue, passing the BMW garage on your right and at the third roundabout turn right in front of the Fiat/Alfa Romeo garage, sign-posted to Stores Road Industrial Estate;
- Take 1st left, signposted Stores Road Industrial Estate;
- Take next road left into Stores Road in front of a petrol station;
- Continue on Stores Road, around a sharp corner at the end and Cardinal Square is the large blue building on the left hand side;
- Turn into our car park just after the blue building.

From the A52/A38 (South)

- At the Markeaton roundabout with the garage, at the junction between the A52 and the A38, turn towards the City Centre along the A52;
- Continue on that road, which leads into a one-way system and then divides at the end of Agard Street;
- At the fork and traffic lights take the left-hand lane, which will lead onto the inner ring road towards M1-Nottingham;
- Take the left-hand lane there but do not take the 1st left - then move into the left-hand lane as the road widens;
- You will see Cardinal Square - the large blue building in front of you - take the next left, followed by a right at the T-junction, and then next right into our car park.
