Are you thriving... ...or surviving?

Is it time for a step-change in your business or to consolidate your success in an increasingly uncertain business environment?

At the same time, you might also feel the need to constantly find innovative ways to set your business apart and give it that all-important competitive edge.

With change there is almost always risk and this can be costly.

The good news is that you are not alone. We, at Freeth Cartwright, have made it our business to:

- reduce unwanted risk and
- help you build and realise value.

We have significant experience in the challenges that face this sector, ranging from:

- coping with cost down contracts
- structuring tenders for flexibility
- through to maximising your intellectual property rights.

With Freeth Cartwright, you get answers, not options.

We guarantee our service is:

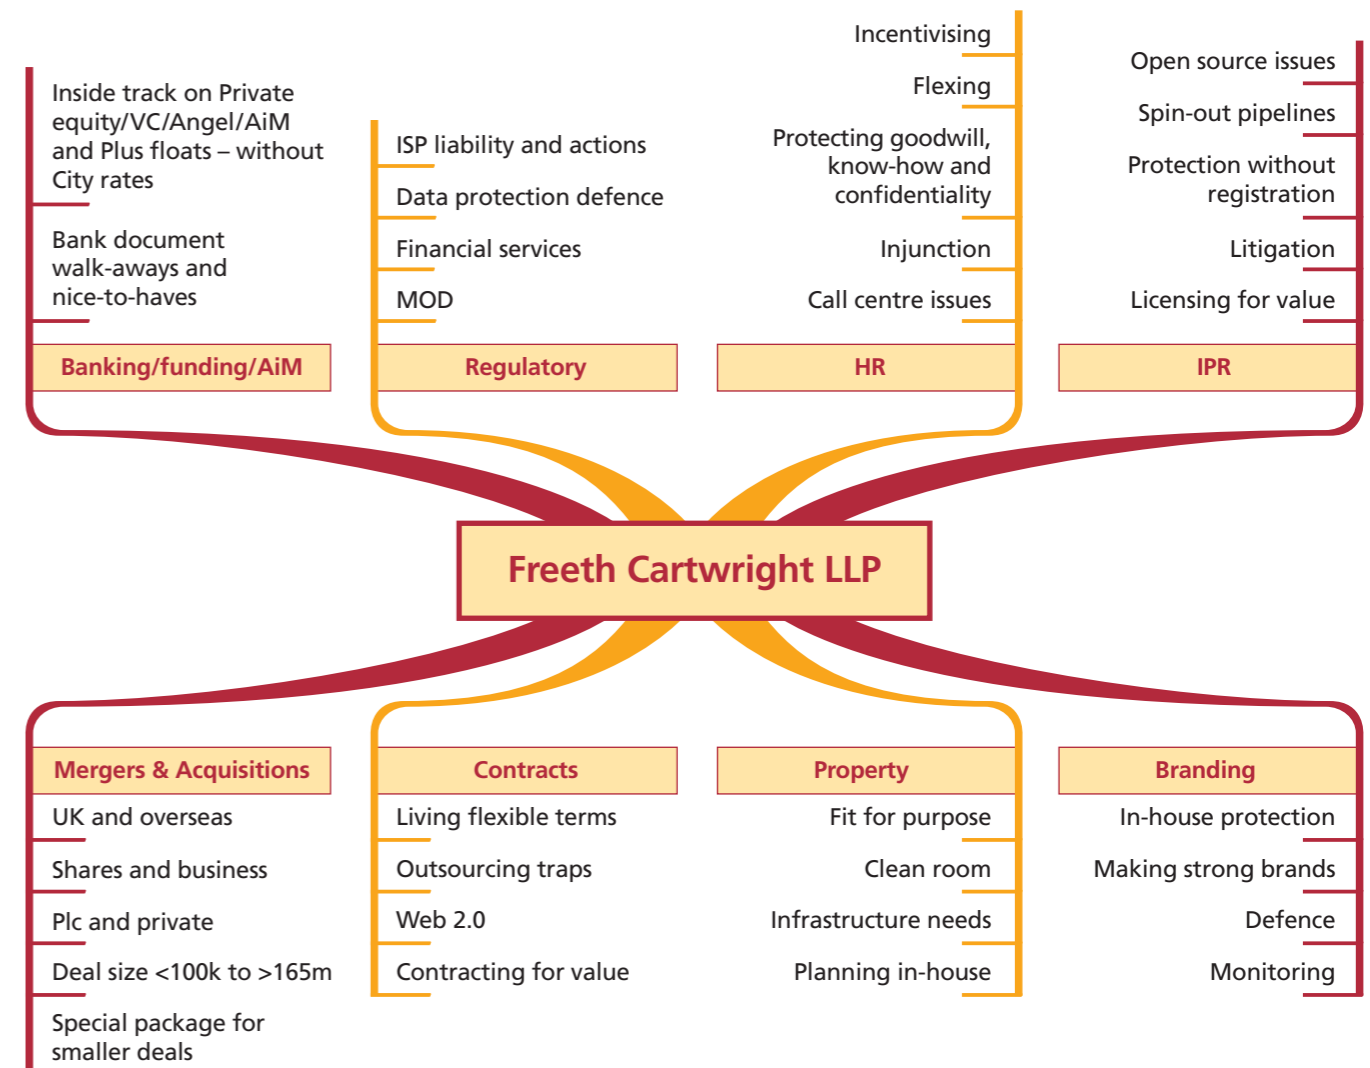

- Jargon-free and to the point
- Prompt, in tune with your own speed of response
- Commercial and pragmatic
- Proactive and risk management focused
- Bespoke, forward-looking and led by an experienced Partner
- Balance sheet accountable

What can we provide you – *value through experience and approach:*

Our sector experience stretches right across the areas that growing businesses value so that there is an holistic approach that avoids silos of understanding.

Over 26 recent corporate deals completed – aggregate deal value/lend in excess of £378m

We have extensive experience in working:

- together with in-house counsel including dovetailing our input with in-house standard documentation or
- alternatively for those without internal resource, to in effect be their in-house lawyers as and when required or on retainer.

We are a leading regional law firm serving a national client base.

We are a top 100 UK law firm by turnover and ranked in 1st place as a regional heavyweight in the Legal 500.
